Dear Sandra,

Congratulations on passing your REC inspection!

As you will be aware, our programme of inspections against REC and industry standards aims to promote and ensure best practice within our membership.

I hope you found the assessment process useful and I would welcome any feedback you may have.

The REC's legal, training and business support services are available to support you in the operation and development of your business. If there is any further assistance we can offer, now or in the future, please do not hesitate to contact us to discuss your requirements.

Again, my congratulations on your achievement.

Yours sincerely
